## **President's Message**

Ladies and Gentlemen,

On behalf of The Committee Of Management, I welcome you to the 1993 South Melbourne Hellas Soccer Club Presentation Night and Annual Ball.

Tonight we once again honour the senior team players who have worn the club's colours with pride and distinction. Although we did not achieve our ultimate goal this season it still proved to be a very successful one with the club attaining many honours. The team was awarded the trophy as the 1992/93 CCSL Premiers, our senior team coach Mr. Jim Pyrgolios was voted Coach of The Year, Paul Trimboli was awarded the "Warren Medal" as the CCSL Player of The Year, Francis Awaratife was Top Goal Scorer and John Verikakis was voted the Southern Division Youth Player of The Year.

I take this opportunity to thank Mr. Jack Dardalis and the entire "Marathon Foods Family" for their great contribution to our club. I am also pleased to confirm that Marathon Foods have signed a further three year contract as sponsors of our senior team.

I would also like to express my sincere thanks to my committee members for all the long hours they have contributed throughout the season in order to make our club a leader both on and off the playing arena.

Finally I would like to thank our members and supporters for their continual support and also both the Australian and Ethnic press who have made an invaluable contribution to our club and the game as a whole.

GEORGE VASILOPOULOS  
President

## Coach's Message

Ladies and Gentlemen,

I feel very honoured and privileged to be given the opportunity to express my gratitude to the people that helped make 1992/93 the success that it was.

The players of South Melbourne Hellas played their hearts out and showed enormous character and the reward to them was to finish Premiers with a five point margin. To all the players of the senior squad I say congratulations and thank you.

The President and the Committee of Hellas gave me the opportunity to coach the club I sincerely love. Filling Mr. Puskas shoes was never going to be easy but I thank the committee for showing faith and confidence by appointing me. I look forward to their continued support and co-operation next season in our attempts to achieve what unfairly slipped away from us this season.

The coaching staff at Hellas have also been a pleasure to work with. Mr. Sam Meyer is arguably the most knowledgeable and experienced youth coach in the country and Mr. Socrates Nicolaidis has shown enthusiasm and maturity with the Colts.

There is no doubt that the finals series was an Anti-Climax and circumstances beyond our control led to the series being a disaster. Suspension, injuries and illness to key players did not allow us to undertake the proper preparation required for such a crucial series. Losing Danny Wright, Paul Wade, Mike Petersen, Con Boutsianis and not having Paul Trimboli, Mehmet Durakovic and David Healy available for training meant that training sessions were conducted during the finals with only six players. Ideally in a final series you need all your players at PEAK fitness and form.

Congratulations to Paul Trimboli for winning the Warren Medal, Francis Awaritife for being the CCSL top goalscorer and John Verikakis for winning the award for best and fairest youth player.

Finally to all members and supporters thank you for your first class support. Please keep it up as the players and I will do all in our power to reward your faith in us.

**JIM PYRGOLIOS**  
Senior Coach
